Catchment area

The School catchment area is very local. A key driver is that many families tend to relocate to this area in order to enable their child/children to attend

our school. Almost two thirds of pupils are H&F residents. The 2018 postcode map of the 260 pupils attending the School shows the following distribution: 40.8% live within 1 kilometre of the school (106 pupils) 66.2% live within 2 kilometres of the school (172 pupils) 81.2% live within 3 kilometres of the school (211 pupils)
